TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Allenstown in the County of Merrimack in said State, qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at the New Fire Station in said Allenstown on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear and act upon the report of the Town Budget Committee.

4. To see if the town will authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the town will vote to give a two percent discount on all taxes paid on or before July first.

6. To see if the Town will vote to give the Selectmen the power to appoint the Tax Collector, this vote to be in effect until rescinded by some future Town Meeting.

7. To see if the Town will vote to have only one road agent, this vote to be in effect until rescinded by some future Town Meeting.

8. To see if the Town will vote to petition the state tax commission to have an audit made by the division of municipal accounting and to make an appropriation to cover the expense of such audit.

9. To see if the town will vote to discontinue a certain section of a road known as the Short Falls Road beginning at the intersection of the Allenstown-Deerfield road, (commonly known as Ela's corner) thence northerly about 99½ rods to the intersection of the road leading directly to Route No. 28. Subject to and effective upon the completion of a road laid out through Federal land to be used in lieu of the discontinued section and to

be completed by the CCC at no expense to the town. Said new road shall be at all times open to the public.

10. (By Petition) To see if the town will vote to raise and appropriate the sum of Eight Hundred ($800.00) Dollars for a new sidewalk on Granite Street, beginning at South Main Street and extending easterly to the residence of the late Eugene Lauzier.

11. (By Petition) To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty ($250.00) Dollars, to extend the sewer on Cross Street, beginning near the residence of Armand Menard to the corner of High Street and to be installed before July 15, 1941.

12. (By Petition) To see if the town will vote to raise and appropriate the sum of Five Hundred ($500.00) Dollars to reconstruct the road on Turnpike Street between River road and the Suncook Valley Railroad, and resurface it with macadam.

13 (By Petition) To see if the town will vote to raise and appropriate the sum of Fifteen Hundred ($1500.00) Dollars to resurface and oil the so-called New Rye Road, beginning at the intersection of the Deerfield Road going toward Salter Hill to the Epsom-Allenstown line and on the so-called Wing Road beginning at the Epsom-Allenstown line to the residence of Regenald Nash.

14. (By Petition) To see if the town will vote to raise and appropriate the sum of Five Hundred ($500.-00) Dollars to rebuild and oil Bartlett Street beginning at the intersection of Turnpike and Bartlett Streets to the residence of Eric Ober.

15. (By Petition) To see if the town will vote to accept as a town highway an extension of Sargent Street, in an easterly direction, to the land of Alvah N. Girard, a distance of some one hundred and fifty feet.

16. (By Petition) To see if the town will vote to raise and appropriate the sum of Three Hundred ($300.-00) Dollars to build a cement side-walk on the south side of Whitten Street.

17. (By Petition) To see if the town will vote to accept as a street a piece of land named Theodore Avenue, to be given the town by the heirs of the late Theodore Hamel, from School Street to Cross Street, and

raise and appropriate Four Hundred ($400.00) Dollars for a sewer on said Street.

18. (By Petition) To see if the town will vote to raise and appropriate the sum of One Hundred ($100.00) Dollars to finish the side-walk off School Street that was started by W. P. A. project last fall.

19. To hear the reports of auditors, agents, committees or officers heretofore chosen, and to pass any vote relating thereto.

20. —To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and forty one.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

CONCORD

March 1, 1941

To the Board of Selectmen
Allenstown, New Hampshire

Gentlemen:

Acting upon your petition to this Commission for an audit of your accounts, we examined the records of the Town for the period from February 1, 1939, to January 31, 1941. A report of audit was submitted to you under date of September 23, 1940, covering the period from February 1, 1939, to August 30, 1940, and we now submit herewith a report for the period from February 1, 1940, to January 31, 1941, together with our usual certificate of audit for the period under review.

Scope of Audit

Our audit and examination consisted of a complete verification of accounts and records of the Selectmen, Treasurers, Tax Collector, Town Clerk, and the Trustees of Trust Funds. The result of this examination is reflected by Exhibits submitted herein.

Selectmen

We examined and compared all Selectmen's Orders with the Treasurer's Checks and supporting vouchers, and found them in agreement with the corresponding records of the Selectmen and the Treasurer. From these records we prepared a Comparative Statement of Appropriations and Expenditures, submitted herein as Exhibit E.

It will be noted that expenditures for new construction and permanent improvements were not segregated in accordance with budgetary appropriations. It has, therefore, been necessary to consider such expenditures in a group for the statement submitted herein. It is suggested that segregation of expenditures in the future follow the budgetary appropriation as voted by the Town Meeting.

Treasurers

The Treasurers' activities examined were grouped to include the accounts and records of the following Town Treasurers, who were in office during the year ending January 31, 1941:

William Baillargeon
Armand Poirier
Catherine Poirier

The Balance of Cash on Hand and in Bank was verified by reconciliation of a Bank Statement obtained from the Suncook Bank, where funds are deposited. All records were found in agreement and in good order. We prepared a Statement of Cash Receipts and Disbursements for the combined activities of the above-mentioned Treasurers for the year ending January 31, 1941. This Statement is submitted herein as Exhibit H.

Tax Collector

Considerable attention was given to the Tax Collector's records and Tax Warrants, to bring them into agreement with the Treasurer's records. Remittances to the Treasurers and other proper credits for discounts and abatements were carefully examined. The Tax Sales records and interest charges were also examined and audited.

From the result of this audit and examination, we prepared Schedules of Tax Accounts submitted herein as Exhibits C, D, J and K, showing balances uncollected. Verification of unpaid taxes was made directly with taxpayers of record, in addition to the required notices which were sent by the Tax Collector on taxes unpaid and advertised for ultimate sale.

The result of this audit and examination is clearly indicated by the Exhibits submitted herein, particularly by Exhibits A, C, D, J and K.

Town Clerk

The accounts and records of the Town Clerk were examined and remittances to the Treasurers were found to be $2.50 in excess of Motor Vehicle Permit Fees actually received and verified. We presume this small amount will be ajusted in this year's activities.

We examined the records of Dog Licenses issued during the period under review and found remittances to the Treasurers in agreement with the accounts as verified.

A schedule of Town Clerk's activities is submitted herein as Exhibit L in this report.

Trustees of Trust Funds

Trust Funds were verified directly with the Suncook Bank, where such funds are on deposit. We submit herein a Summary of Trust Funds as Exhibit N in this report.

A surety bond should be provided for the Trustees of Trust Funds as required by Chapter 42, Section 27, of the New Hampshire Public Laws.

General Comments

Short term financing is made to provide funds in anticipation of revenue collections. It follows, therefore, that Temporary Loans Outstanding should not exceed the total amount of uncollected revenue and available cash

on hand and in bank at any given date. When negotiating for temporary loans, consideration should be given to anticipated revenue and outstanding current obligations. It is equally important to maintain a proper ratio between temporary loans issued and temporary loans retired during any given year. Unless a definite increase in uncollected revenue assets is anticipated, temporary loans outstanding should not increase.

We note, also, the tendency to regard yearly budgetary appropriations in sum total. When voting the budget, the Town gives to its officers specific orders to perform certain services. It limits the expenditures for each purpose to certain definite amounts. In order that the officer may know that he is properly obeying the implied orders of the voters in budgetary appropriations, he must have a simple yet adequate record which will show him the condition of his appropriations at all times. Other wise he will spend money in excess of appropriations, exceed his authority, and upset the year's program while increasing the cost to the Town.

The Statement of Appropriations and Expenditures submitted herein as Exhibit E can be used as a basis for a record which will supply the necessary information for proper control of individual appropriations as voted at town meeting. Due consideration to such control of appropriations will usually prevent financial difficulties.

This audit and examination has been a pleasant task, and we offer our sincere thanks and appreciation to all Town Officials who have so generously extended continued assistance and attention to members of our staff.

Respectfully submitted,

HAROLD G. FOWLER, *Director*

Municipal Accounting

Certificate of Audit

This is to certify that we have audited the accounts and records of the Town of Allenstown, New Hampshire, for the period from February 1, 1939, to January 31, 1941. We found them to be correctly cast and properly vouched, subject to comments contained in the report submitted herewith and including our report of audit submitted with comments under date of September 23, 1940.

The report submitted herewith reflects, in our opinion, the financial condition of the Town of Allenstown at January 31, 1941, together with a summary of the Town's financial activities for the period under review.

Respectfully submitted,

REPORT OF THE FOREST FIRE WARDEN

To the Citizens of Allenstown:

Our forest lands represent a substantial proportion of the town's valuation. They provide income to our citizens, from the sale of forest products and through employment of woods' workers. The protection of our forest lands is essential to the continued welfare of the town. Fire is the forests' worst enemy. It not only destroys the growing crop but leaves the land in such condition that nothing of value will grow for a long period of years. In addition it costs good tax money to extinguish forest fires.

An analysis of forest fire records indicate that 97 per cent are man-caused and consequently avoidable. Carelessness and failure to comply with reasonable regulations governing the building of fires in and near woodlands has been costly to both towns and individuals. Through elimination of the human equation, forest fire losses would be reduced to a minimum. This is possible if every citizen would be careful, familiarize himself with burning regulations, comply with them and then use proper discretion.

We have been particularly fortunate in this town since the hurricane in not having had more serious fires. This is due in part to the strictness of our wardens in issuing permits and splendid cooperation on the part of the public. Great care is needed because conditions in our blow-down areas are more critical with down material drying out and becoming more highly inflamable. The continued cooperation of every one is necessary.

We should all remember that:

1. Written permission of the local forest fire warden to burn brush, rubbish or other debris in or near woodlands or where fire may be communicated to woodlands is necessary when the ground is not covered with snow. Violation of this requirement makes the responsible party liable—

a. To a fine not to exceed five hundred dollars or imprisonment of not more than one year or both.
b. To the town for expenses incurred by the warden or deputy warden in attending or extinguishing such fire.
c. For damage to abutting owners if the fire runs onto the abutters' property.

2. It is a violation of the Forest Laws of the state to—

a. Drop or throw any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire, from any vehicle while the same is upon a public highway or private way.
b. Drop, throw or otherwise deposit on or near woodlands any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire.

Violation of these prohibitions penalizes whoever is found guilty by a fine of $25.00.

3. You should promptly notify your local fire warden of any fires you see.

4. The forest laws are being more strictly enforced each year.

Your cooperation will save the warden considerable worry; you and your town much trouble and expense.

The 1940 fire record for our town follows:

Number of fires	2
Acreage burned	15
Cost of suppression	$119.30
Number of permits issued	4

ESDRAS LAVALLEE,
Forest Fire Warden.

STATE TAX COMMISSION
Concord

September 11, 1940

To The School Board
Allenstown School District
Allenstown, New Hampshire

Gentlemen:

We submit herewith our report on the audit and examination of the accounts and records of the Allenstown School District for the fiscal year ended June 30, 1940.

Scope of Audit

We have audited and examined the accounts and records of the Treasurer, compared such records with supporting vouchers and checks and found them in agreement and good order.

We have also verified the Treasurer's Cash Balances and found them correct, as evidenced by Exhibit B submitted herewith, and by verification which was made with the depository bank.

We further examined and compared all payment orders issued by the School Board with the classified record kept for this purpose. From this examination, we prepared the following Exhibits:

A.—Schedule of Cash Receipts and Disbursements

B.—Proof of Treasurer's Cash Balance

Expenditures — Fiscal Year

C.—Comparative Statement of Appropriations and Expenditures

D.—Reconciliation of Appropriation Statement with Treasurer's Cash Balances

Exhibit C includes Budgetary Appropriations found in the School Board's records of its meetings.

General Comments

We found the accounts and records in good condition generally. During the course of our examination, however, we noted the tendency towards payments of certain charges particularly for transportation of pupils. In this account, there were ten payments of $96.00 each, for a total of $960.00 during the fiscal year ended June 30, 1940. For your information we list these payments as we found them recorded in the books:

Month Covered by Payment	Date of Order	Date of Check	Amount Paid
September 1939	9-27-39	9-27-39	$96.00
October 1939	10-27-39	10-27 39	96.00
November 1939	11-24-39	11-27-39	96.00
December 1939	12-20-39	12-30-39	96.00
January 1940	1-27-40	2-14-40	96.00
February 1940	2-15-40	2-20-40	96.00
March 1940	2-27-40	3-5-40	96.00
April 1940	3-26-40	3-27-40	96.00
May 1940	4-18-40	4-18-40	96.00
June 1940	5-1-40	5-2-40	96.00

Our verification of the Treasurer's Cash Balance was made on September 4, 1940, and reconciled to the Cash Book Balance at June 30, 1940, for purposes of reporting the fiscal year ended June 30, 1940.

Among the payments made and recorded subsequent to June 30, 1940, we note a payment of $150.00 to the Pembroke School District on July 19, 1940, presumably covering the account for $150.00 reported owed by the Allenstown School District for rent of the community house as of June 30, 1940.

We noted a further payment of $96.00 for transportation of pupils. This payment recorded under date of August 1, 1940, presumably represents an advanced payment for transportation of pupils. In order that the tendancy to advance payments shall not develop into a common practice, it is recommended that such payments be made currently.

We take this opportunity to offer our sincere thanks and appreciation to all members of the School Board and other District officers who have generously extended continued assistance and attention to the members of our staff.

Certificate of Audit

This is to certify that we have audited the accounts and records of the Allenstown School District in the Town of Allenstown, New Hampshire, for the Fiscal Year Ended June 30, 1940, and we have found them to be correct and properly vouched, subject to our comments contained in our letter of transmittal which is a part of this report.

We submit our report herewith in the form of Exhibits which, in our opinion, clearly reflect the financial condition of the School District as of June 30, 1940, based on the usual "Cash Basis" in use heretofore. The financial activities for the year are also plainly indicated in the attached report, to the best of our knowledge and belief.

Respectfully submitted,

HAROLD G. FOWLER, *Director*

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Allenstown:

My seventh annual report covers changes in staff of teachers, special activities and improvement of building and grounds.

After five years of efficient and constructive service as teacher and principal of your Grammar School, Mr. Ralph P. Kelley was released in August 1940 to become principal of the Lincoln School in Manchester.

Mr. James J. Sampson of Everett, Massachusetts, was elected to succeed Mr. Kelley as principal and teacher of Grades VII and VIII. Following graduation in 1938 from the four-year course at Salem Teachers College, Mr. Sampson completed a year of graduate study at Bridgewater. His practice teaching was done in Horace Mann School of Salem and the Roberts Junior High School of Medford.

Mr. Sampson has enjoyed the fullest cooperation from an unchanged and thoroughly efficient staff of teachers. The proposed elimination of the part-time teacher was deferred at least until another year. This has given Mr. Sampson an opportunity to organize effectively his work in manual training and physical education.

Your nutritional program, operating through the extension of the school lunch service, is outstanding in efficiency among the schools of this Union.

Through the Works Progress Administration, an exceptionally competent woman is employed to cooperate with the instructor and pupils of the domestic science classes in preparing and serving hot lunches for a group of nearly thirty children. Nutritional value is sought by the use of much milk, butter, eggs, bacon, ham, pea beans, cereal, white and graham flour. Apples, grapefruit, raisins, and canned peaches are also used. Much of this food material is procured through the Director of Surplus Commodities. It is required that all children be served alike. Pupils who are able to pay the cost of their lunch in money or in materials are accustomed to do so.

Resistance to disease is considered one of the prime objects of correct nutrition in home and school.

Chief among the activities of the music classes was their presentation in May of the operetta "Pinocchio". Exceptional talent in music was developed under the direction of Mrs. Gale and Mrs. Bailey. The art work, directed by Mr. Kelley and Mrs. Benware, added a delightful stage setting. Through the courtesy of the headmaster and trustees of Pembroke Academy, the operetta was presented in the auditorium.

Since last May, when Miss Isabelle Barnett resigned to accept a full-time position, it has been impossible to obtain a qualified teacher of sewing and cooking for adult classes. Miss Barnett gave valuable instruction and much personal assistance to a group of over thirty women. It is hoped that this type of classes may be resumed another year.

At the annual spelling contest, held in Candia, Allenstown was represented by Lucille Berube, Ursula Beres, and Gary Freeman.

The erection last summer of over four hundred feet of chainlink fence, supported by steel posts mounted in cement, adds to the side and rear of the school grounds an appearance of neat and substantial protection. Included in the fence is a baseball backstop of the same material.

Early attention should be given to the surface of the tar walks and to regrading and surfacing about the foundation of the building. The grading of a tennis court with cinder surface would give in Allenstown opportunity to practice out-of-door volley ball and basket ball for nearly half of the school year.

There is space for at least one shower and several steel lockers in each of the two lavoratories.

Access to storage space has been improved by building a stairway, leading from the book and supply room to the third floor. The roof construction of the building does not permit of basketball practice. However, by adding outside fire escape and enlarging the entrance by stairway, this attic floor could be utilized as a playroom.

A class of eight was graduated from the Eighth Grade in June 1940. All of these individuals are attend-

ing high school or are employed in industry.

In behalf of the school children and their teachers the Superintendent would express appreciation to the School Board to Headmaster Beal and the trustees of the Academy, and to other agencies for the interest taken in the welfare and progress of the school. We are indebted to representatives in the legislature for the opportunity to personnally observe the making of our laws, and to transporters and other citizens for the conveyance of pupils to spelling contests and on frequent educational trips. Your boys and girls merit and appreciate the confidence thus manifested in their educational activities.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.
